

Linhan Pang

Computer Science Undergraduate | Shanghai Jiao Tong University

pang_linhan@sjtu.edu.cn | +86 15253538350

lhpang-stack.github.io | github.com/lhpang-stack

Interests: machine learning, deep learning, and reinforcement learning. Seeking research and internship opportunities; careful, responsible, and committed to following through on assigned work.

EDUCATION

Shanghai Jiao Tong University

2025 - Present

Computer Science and Technology, School of Computer Science | Second-year undergraduate

Core course average: 89.26/100 | GPA: 3.82/4.30

EXPERIENCE

AmbiHTMLBench

Apr - Sep 2026

Co-author (4th author) | Supervisor: Xuanhe Zhou, Assistant Professor

A Multidimensional Benchmark for Image-to-HTML Reconstruction of Heterogeneous Documents. **Submitted to ICLR 2027 on September 26, 2026.**

Collected and organized data, performed quality checks, and contributed to the design of the experimental software framework.

Schedule Management System

Jul 2026

Independent course project, Computer Programming Practice

Independently developed a schedule management system using Linux, Python, and C++. **Overall course score: 97/100; ranked 1st of 86 students.**

Summer Research Placement

Jul 2026

Autonomous driving and automation | Supervisor: Hongzi Zhu, Professor

Worked on algorithm implementation, system deployment, and simulation testing; prepared technical reports.

STUDENT WORK AND SERVICE

Conference Volunteer

Aug 2026

29th National Forum for Heads and Deans of University Computer Science Departments. Led materials packing and supported main venue operations.

Teaching Assistant, Python Fundamentals

Aug 2026

2026 Zhuli Camp

Student Assistant, Academic Affairs

Jul 2026

Operations Management Office, Shanghai Jiao Tong University

HONORS AND AWARDS

Third Prize, National English Competition for College Students

May 2026

First Prize (Team), Sunshine League

Dec 2025

SKILLS

Python/C++ programming foundations; Linux command-line tool development; information retrieval and data analysis; **English CET-6: 647.**
